- Unlimited number of properties in the background for portfolio landlords
- Maximum portfolio lending amount of £5mn
- No stress testing of the background portfolio, business plans or cash flow statements required

The announcement comes as PRIMIS continues to evolve its propositions based on broker demand, including a recent partnership with Holloway Friendly and significant technological enhancements including a new marketing portal.

Vikki Jefferies, Proposition Director at PRIMIS, commented: "Our latest partnership with Fleet reaffirms our commitment to the Buy-to-Let Market. Fleet has already enjoyed success as part of the PTFS lending panel and we hope to mirror this in the rest of the network. It is our mission to provide advisers with a variety of products and tools to meet the growing and diversifying needs of landlords and we will continue to evolve our Buy-to-Let proposition to ensure we remain best in market."

Steve Cox, Distribution Director at Fleet Mortgages, commented: “Our aim is to always ensure we can support advisers’ Buy-to-Let clients in a variety of ways. Extending our outreach to the rest of the PRIMIS network is therefore paramount in ensuring more brokers have access to the Buy-to-Let solutions they require to meet a growing customer demand. We look forward to working together with PRIMIS to strengthen this market further.”
